### **FULL BID BREAKDOWN**

Our bid writing breakdowns compile all the information you need to help you decide whether to proceed. Our Bid Writers read the specification requirements, listing the content needed from you and work required from us. This also helps you to understand how we have calculated your quote.

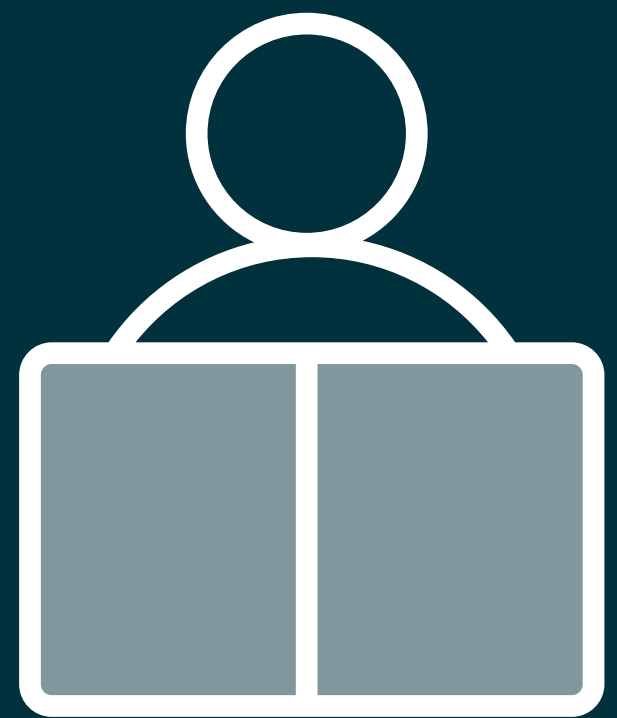

### **CLARIFICATION QUESTION MANAGEMENT**

We will keep up to date with all clarification questions. This includes asking questions on your behalf and ensuring we have the latest information from the buyer, eliminating the risk of submitting incorrect responses.

## **END TO END BID WRITING SERVICE**

Once the bid is in our hands, we take care of everything, keeping you up to date throughout the process. Our expert Bid Writers will write the tender responses, attach supporting documents and even submit the bid on your behalf. There's no need to worry about deadlines or navigating tricky tendering portals.

## **DEDICATED BID CONSULTANT**

Throughout the process, you will be assigned a dedicated Bid Consultant to keep you informed.
